

INTERNATIONAL TRADE

COURSE OUTLINE, 2008

- Instructor:** Bryan Schwartz, Asper Professor of International Business and Trade Law
- Course Materials:** Field Guide to the Global Economy by Anderson/Cavanagh/Lee (U of MB Bookstore)
In Defense of Globalization by J Bhagwati (U of MB Bookstore)
International Trade Law material - CD Rom (to be sold through MDC)
- Course Objective:** Develop a broad understanding of the law and policy connected with international trade and produce high quality student papers on specialized topics.
- Method of Instruction:** Lecture/class discussion for first two thirds of the course; student presentations for remaining third.
- Evaluation:** Student paper presentation: 80-100%; strong class participation can raise grade up to 20%. Grades are not lowered on the basis of quality of participation as long as the student attends
- Attendance:** MANDATORY. More than 2 classes missed without reasonable explanation results in ceiling of D on grade.
- Student presentations:** approximately 30 minutes, 20 minutes presentation, 10 minutes discussion.
